From the Principal

01/06/2023

So much has been happening since our last newsletter...

Interschool Sport

The grade 5 and 6 Interschool Sport program has started and each team member is trying very hard to support each other to be fair sports people. So far they have played against Mildura South and Ranfurly in hockey, Soccer, Netball and Football. This Friday we play against Mildura West Primary School. Well done Mildura Primary!

Education Week

We held our Education week open morning and celebrated the evening with our open air cinema. Great to hear lots of people taking advantage of each event.

Prep Information sessions

2024 Prep Information sessions have begun. If you know of anyone who may be wanting to enrol for next year please let them know to contact the school and make a time to get the process started.

COVID and Flu Season

We have had quite a few staff members and students

needing to be away from school due to displaying symptoms of sore throats and runny noses. Thank you to everyone for staying at home when unwell and preventing the further spread of the flu and COVID. Keep testing to be sure and stay at home if unwell. COVID tests are available at the office.

Diversity Dash

We are currently organising the Diversity Dash (Colour Fun run) for Friday 9th June. Keep an eye out for further information.

Before School Supervision

Please Remember that school supervision starts at 8.30am. No student should be on school grounds before 8.30am each day.

School Council

Our next school council meeting will be held on Tuesday 13th June at 6pm. If you would like to attend please contact the school for further information.

David Midgley
Principal

Do you know someone starting school next year?
Mildura Primary School is now taking enrolments for 2024.

Please contact our office for more information.

Mildura Primary School will be part of the Glasses for Kids program this year.

All students from Prep- Grade 3 are invited to take part.

Qualified optometrists will be onsite at school to conduct the screening, testing and prescribing of glasses if required.

The screening and testing sessions will be completed class by class, during school time.

Glasses, if needed, will be chosen by the student then dispensed at no cost to the school or student

Grade 4 Maths

Hello families!

In our grade 4 unit, we are learning about place value using 'The Big Ideas' place value unit structure.

Our students are discovering how numbers work by looking at the positions of digits. They're using fun activities and games to learn how to represent and compare numbers up to hundreds of thousands. By using a range of resources and strategies, students are getting really good at understanding place value.

Please keep supporting their excitement and curiosity as we explore numbers together!

-The Grade 4 Unit

National Reconciliation Week.

Last week, six of our students were invited to a very special morning tea for National Reconciliation Week.

These students designed banners that were selected to be displayed throughout the Langtree Mall and Deakin Avenue.

These banners are already on display in the Mall and our students are feeling VERY proud!

We would like to thank Mildura Rural City Council for allowing us the opportunity to showcase our talents and wonderful culture with our local community. Congratulations to our six students, and a big well done to all other students who submitted their wonderful artwork- we had around 40 students who spent their time and creativity designing a poster!

Incredible efforts Mildura Primary!

Boys Soccer

On the 23rd of May 2023, Mildura Primary School went to Number 1 Oval to compete against Ranfurly Primary School. The first half we were really close to scoring two goals but the Ranfurly goal keeper made two fantastic saves. Jafar, Arman, Fernando and David worked overtime in the midfield to try to set up goals but just fell short. The second half started off with a goal in the first 30 seconds with Jafar working his magic weaving his way through four defenders and setting Arman up with a goal. Kobe, Jharahl, Ibrahim, Innocent and Ezekiel showed great defence. We continued to work hard in defence but unfortunately, they broke through and scored two more goals. Everyone tried their best and showed great sportsmanship.

Girls Soccer

On the 23rd of May, Mildura Primary School went over to Number one oval to play interschool soccer against Ranfurly. Within the first 5 minutes Vanessa scored a goal, the score was 1-0. Lofa was our goalkeeper and stopped Ranfurly from kicking lots of goals. The team rotated players around to ensure everyone was having a go and stopped the team from becoming fatigued. We showed good sportsmanship and played fairly throughout the whole game. We made sure we shared the ball around and kept the ball away from Ranfurly. During the second half Ranfurly kicked their first goal with 4 minutes to go. The overall score came to 1-1 resulting in a tie. Overall it was a successful day and everyone had fun.

GRADE 3

FIELD DAY EXCURSION

On Friday the 19th of May, the Grade threes went on a field trip to the Mildura Racecourse. We travelled there by a bus. When we first got there we got stickers from the police. The second thing we did was go to the Black Snake wildlife production. We were admiring the animals before the wildlife presentation started. There was a lot of cool animals in the presentation. The third place we went was Fizzics Education. We learnt about how the Nitrogen was -200 degrees. My favourite part of the day was playing with balloon swords that a man made for us. It was great day and I had lots of fun.

Chau Doan.
