From the Principal

End of Year Concert

Planning is underway for the end of year school concert and MEP market. Please keep Thursday 13th December free so you are able to come and enjoy our students performing the wonderful items they have planned.

Enrolments

It is wonderful to see over the last few months that our enrolments are growing in preparation for next year. If you know of any children/families that are new to our neighbourhood please let them know that now is the time to get enrolled at Mildura Primary School. On the other hand if you are intending to be moving please contact the school so we can make the appropriate arrangements.

Hats

A reminder that the weather is warming up and the sun is getting hotter. Please remember that all students are expected to wear hats while outside to protect their faces, ears and necks from the sun.

Breakfast Club

Our Breakfast Club has extended their days. We are now offering breakfast four days a week – Monday, Wednesday,

Thursday and Friday from 8.30am. All students are welcome to come along and have some breakfast before school starts.

School Council

Our next School Council meeting is scheduled for Tuesday 20th November at 6pm in the Staffroom. All welcome.

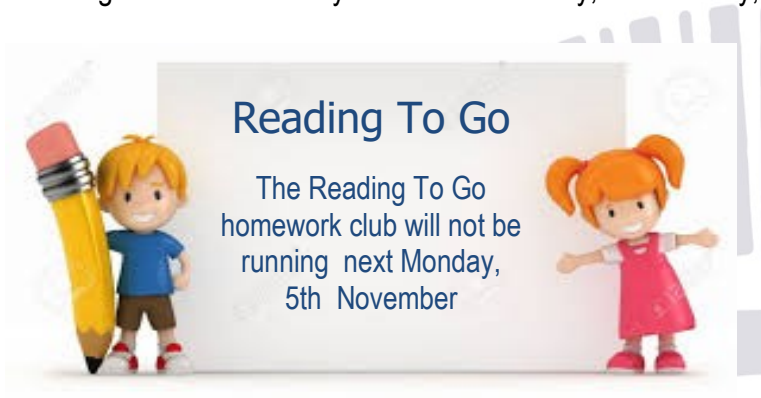

Prep Playground

After school there are children playing on the Prep Playground without parent supervision. It is okay to play on this playground but students need to be supervised by their parents.

The Hallway outside 1/2N and 1/2M

At the end of the day the hallway just outside grade 1/2N and 1/2M is getting very crowded and the students from these grades are unable to get to their bags. Please do not use this hallway to move from the office to the quadrangle between 3pm and 3.20pm because it makes it difficult for students to move easily to their bags and to the office.

Principal

Basketball

Mildura Basketball Association runs a Domestic Basketball Competition weeknights during the year. We have just kicked off our summer competition and with interschool basketball happening, we have noticed a lot of players that are not engaging in after school sport activities. If your child is interested in playing basketball for fun and or competitive we have the competition for them. You need not to worry to find a team, we can sign you up. Please contact the office by either email admin@mildurabasketball.com.au or phone on 5023 2241. Cut-Off date is round 3 of our competition.

Concentration

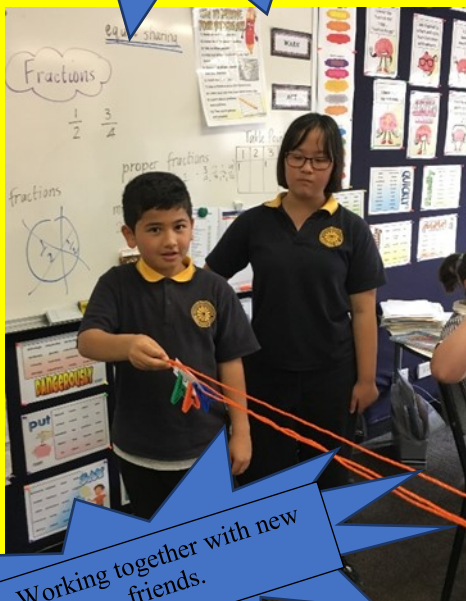

Getting better with practise.

Where does the $\frac{2}{7}$ go?

Learning Maths in 5/6 L
We used Cuisenaire rods for problem solving activities. They looked easy, but they were quite tricky and we had to think carefully. We used ropes and pegs to estimate fractions. This was also an interesting activity and our estimates got better with practise. Perhaps we could do more practise at home using the pegs on the clothes line!

Working together with new friends.

Feeling successful and happy.
