From the Principal

This Tuesday was Mrs Hannig's last day before she headed off to get ready to have a baby. On behalf of the school community I wish Hrs Hannig and her family all the best.

For the rest of this term we welcome Mrs Kerr back. She is working in 3/4A while Mrs Allen is away on long service leave. Welcome back Mrs Kerr!

Travel Safe

I am again encouraging families to use the school crossings to cross the roads on 11th, 12th and San Mateo Avenue. Before and after school is a very busy time with cars around the school and I hope that everyone is being safe at this time.

The Extra's We Do Around the School

Breakfast Club – Every Monday, Wednesday and Friday mornings we provide breakfasts for any students who are wanting something to eat before school. Our Staff and volunteers make sure breakfast is ready as students arrive at school but make sure students have finished eating before entering the classroom at 9am. The aim is to ensure students are starting the day ready to learn.

Secondbite – Another extra is the bread, fruit and vegies that are provided from Coles as part of the Secondbite program. This food is collected three days of the week and students are given the opportunity to take food home for their families. Any food not taken by students is put out in the quadrangle for parents to collect. Please be respectful of this opportunity.

Camps and Excursions – We aim to provide opportunities for our students throughout the year. A lot of time and thought goes into organising these events and I encourage families to ensure permission notes are signed and returned before the day of the event so everyone can attend.

Attendance

It is important that student come to school everyday. It is an opportunity to learn new things and get better at the learning from the day before. If any children are away from school please make sure you call the school and let us know. Text messages go out to families who have not let us know about student absences.

2019

We are beginning to plan for next year and if you know of anyone with children ready to start school next year, encourage them make contact with the main office and organise an enrolment.

David Midgley
Principal

Do you have a prep child starting school in 2019?
Are you leaving Mildura / moving to another area in 2019?

Please let us know.

This is the time of year that classes are being planned for 2019. To decide how many classes we will need, it is important to know how many students we will have.

If you have a child ready to start Prep please collect enrolment papers from the office and return as soon as possible.

If your child will be leaving Mildura Primary School at the end of 2018 for any reason, please contact the school as soon as possible to let us know.

2019 Prep Tours

Mildura Primary School will be having school tours for parents of 2019 prep students every Thursdays 9.30am.

*Come along and have a tour of the school,
and a look through our prep rooms.*

Please contact the office on 5023 1851 to confirm a place in a tour.

Heart Foundation

Jump Rope for Heart

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you [register your child online](https://jumprope.heartfoundation.org.au/register), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

<https://jumprope.heartfoundation.org.au/register>

Students will be skipping *during their playtimes*, during this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on Friday *14th September*, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!

School Holidays

Year 5/6L recently farewelled our two student teachers Miss McGlashan and Miss Rowe. Both students are from Latrobe University and have been with our class since the start of the year. They spent every Monday and Tuesday with us during Terms 1 and 2 and then finally spent three weeks with us during Term 3. We have really enjoyed having them as part of our class and helping us with our learning. We hope they have learnt a lot from us because we have certainly learnt a lot from them. It was a sad day when we had to say goodbye to them both. We really appreciated the bookmarks they made for everyone as well as the little goodie bags that contained some lollies and some small stationery items. We will miss them both very much.
