From the Principal

Our year is almost over and I would like to thank the students and staff for their efforts in term 4. It has been a different year and I look forward to starting fresh next year.

Grade 6 Graduation

It was with great pleasure that we were able to celebrate this year's grade 6s graduation on Tuesday. It was wonderful to see everyone dressed up for the official ceremony at school and then head off to Willow and Ivy for a very special lunch. Thank you everyone for making this day so special.

School Captains.

This week we have voted for our 2021 School Captains. Congratulations Paige Morfett and Hayley Tatchell. We will add to the student leadership team at the beginning of next year as we begin a new process of selecting leaders from special student owned interest group.

Meeting our new Classes

On Thursday afternoon students will be meeting their new class mates and teacher for 2020. For the 2021 School Year our year level teaching teams will be:
Prep – Miss Keeghan, Mrs Zeppel and Mrs Brown
Grade 1 – Mrs Stone and Mrs Panuccio
Grade 2 Mrs Smythe, Mr Thompson, Mrs Elliott

and Mrs Allen

Grade 3 Miss Marciano, Mrs Anderson and Miss McNabb

Grade 4 - Miss Thompson and Miss Stefan

Grade 5 – Miss Mazzini, Miss Naess and Miss Ryder

Grade 6 – Mr Tonkin and Mr Lim

Goodbye

We will be saying good bye to Mr Ashton, Mr Rigby, Mrs Cruikshank and Julianne at the end of the year. We wish them all the best and thank you for your time at Mildura Primary School

Let the holidays begin

We will be finishing our school year on Friday at 1.30pm. The school buses will be leaving the school at 2.15. Please make arrangements to pick up your children earlier than usual.

I wish everyone a safe holiday and look forward to seeing everyone return to school on Thursday 28th January

RECORDED

School Holidays

Student Banking

From Term 1, 2021 the Victorian Government has ceased school banking programs in Victorian government schools. As a result, the CommBank School Banking program will no longer operate at our school after the end of this term. If you are unsure of other methods of depositing to your child's account, please feel free to contact the Bank's general enquiries hotline on 13 2221 or alternatively visit your local CommBank branch.

We would like to thank you for your participation and support throughout the School Banking program.

What's Happening in The Patch?

Life as a fruit and vegetable grower is not easy. Some of our Year 3 students have learnt that some plants really love the hot weather and other plants just cannot survive extreme heat. After our very hot weekend before Week 9, the children returned to the garden to hear good and bad news. We had lost our blueberries during the heatwave- they had literally been cooked on the plant even though the plant is in the shade during the afternoon. We had also lost a number of our new bean seedlings and a new strawberry seedling. But our corn and melon seeds had flourished and have already popped up as seedlings and will love growing in the warm weather. We also lost quite a few of the new little oranges and mandarines but our apples have survived as have our peaches and nectarines. A valuable lesson was learnt...being a farmer is hard.

There were lots of chores to do in the garden in the past two weeks. There was cleaning up after our heatwave and wind storm and then some weeding and mulching.

We also harvested our onion crop and found some new zucchinis and yellow squash- our first ones for the summer.

Year 3 have been practising their knife skills in the kitchen and have made their own individual salad bowls. They had to include at least four different vegetables in their salad- and chop all the vegetables into small cubes. It was great to see so many of the children being really focussed while using a big knife and some of the chopping skills were very impressive. And it is amazing how good a salad is if you have made it yourself!

The Years 3s have also had the chance to make their own pizzas. The children had to shape the dough and then choose their own toppings but there did have to be something green on the pizza- either spinach or herbs. The toppings had to be chopped and then the pizza assembled. There were some creative pizzas that were enjoyed by all- even by Mr. Johnson who kept 3M entertained with a story while they were eating their pizzas.

It's been a fun year in the kitchen and garden. I know the children have grown in confidence and have learnt a lot of new things. Remember.....seeds, seedlings and plants are ideal Christmas gifts! And Christmas holidays are a great time to practise new kitchen skills.
