Term 4 is half way through and it is nice to see students are settling back into learning.

2022 Classes

We are currently working through setting up classes for next year. If you are intending on moving please let the main office know so we can make adjustments for next year.

Curriculum Day

We have our last Curriculum Day scheduled for Wednesday 24th November. This day has been set aside for planning for the 2022 school year. This is a pupil free day.

2022 Prep Enrolments

Our 2022 Prep Orientation mornings are fast approaching. Please make sure siblings are enrolled so that they are able to attend the orientation mornings. These mornings will give next year's preps a chance to see classrooms and meet new classmates for next year. The last session will also be an information time for parents to find out more about our wonderful school and ask any questions for a positive start to the school year.

School Council

Our next School Council meeting is scheduled for next Tuesday at 6am. It will be the first face to face meeting since before the many lockdowns. Looking forward to seeing our School Councillors again.

Hats

A reminder that hats need to be worn when outside. Students without a hat will be asked to play under the shade sails.

Before School Supervision

Our before school supervision begins at 8.30am. Please make sure your children are arriving at school after 8.30am so that they are properly supervised prior to entering the classrooms at 8.45am.

QR Code Check in

When entering the school building remember to use the QR code check in found on each entry to buildings.

Face Masks

Students in grade 3 to 6 should be wearing masks when inside. Prep to grade 2 students are encouraged to wear masks also when inside.

School Pick Up and drop offs

Thank you for reducing the congestion around the school by using the basketball courts for the afternoon pick up. We still encourage social distancing when waiting for your children to leave their classrooms each afternoon.
