From the Principal

The last two weeks have been a busy time for students and staff at Mildura Primary School. Students have been completing various tests and teachers have been looking closely at these tests to plan for the next step in each student's learning. Also this information has been used to help students set their goals, which many of you would have seen last night as part of the goal setting meetings.

GOAL SETTING MEETINGS

It was really good to see parents come to the school yesterday afternoon and spend time with their children talking about their planned learning. If you were unable to come last night please speak with your child's teacher to make another time to be part of this important stage of the year.

STOMP

Last week also saw all of our students participate in the STOMP dance program. It was a week long rehearsal that led to the whole school performance on Friday. A fantastic display of dance skills by our students. Thank Ms Seiffert for organising this program.

GRADE TWO SLEEPOVER

At the moment there are many excited grade two students. They will be having their sleepover and activity day tomorrow. I wish the students and teachers all the best and have a great time.

HARMONY EVENING

Next Thursday after school we are holding our Harmony Day celebrations. Many items have been organised along with a BBQ, ice cream van and coffee van. Please come along and enjoy the evening.

SCHOOL COUNCIL AGM

Next Tuesday is also the School Council AGM. We will be welcoming new members and returning members. This is an important part to the organisation of Mildura Primary School.

David Midgley
Principal

Harmony Day-“Everyone Belongs”

All families are invited to come and celebrate Harmony Day.

Wear orange for harmony or come dressed in traditional national costume or national flag colours.

Mildura Primary School

San Mateo Avenue

Thursday 19th March 6 – 8 pm

Bring along a picnic tea or you can buy a sausage from our BBQ.

The coffee and ice-cream vans will be on site as well. Bring your own chair or rug.

If there are any community groups that would like to participate by sharing their cultural dancing or singing, please contact the office on 50231851.

Sport Reports

Boys District Cricket

On Tuesday 24th February, our school cricket team competed in District Cricket. The boys played 3 games against teams from Ranfurly, Mildura West and Mildura South.

Our first game was against Ranfurly.

Ranfurly batted first and scored 6/41. Jordan took 2 wickets, Pau'La and Koni took 1 each and there were 2 run outs.

When we batted we scored 9/31. In the second game we played Mildura West.

They scored 6/42. When we batted we scored 6/32 with Braydon top scoring on 4.

In our last game we played Mildura South. We changed the batting order to give the boys who hadn't had much of a hit to go first. Trey top scored with 7 and we made a total of 28 for the loss of 9 wickets. Mildura South scored 8/49. Mildura South ended up winning the day.

We fielded well and took most of our catches. It was a great effort from the boys as they began to learn how to play cricket correctly. The boys started to walk in with the bowler, keep a player behind the stumps as the ball is thrown in and have another player backing up that person at the stumps. The boys need to remember when playing cricket that if the ball is in line with the stumps and they are batting, they need to just block it.

Well Done to Jordan, Nathan, Trey, Koni, Villiami, Tyrik, Braydon, Pau'La, Geof, Malcolm and Charlie.

Melbourne Storm Visit

On Thursday 19th February, Melbourne Storm players Matt Duffie and Dean Britt along with Sunraysia NRL Development officer Martin O'Rourke visited our school to discuss healthy eating and living and positive wellbeing with students in Grades 5 and 6.

After 2 short videos on healthy living and wellbeing, the players told the students how they became NRL players and discussed life as a NRL player. Both players said they wanted to be an NRL player after NRL Rugby players visited their school when they were younger.

Both players talked about their day to day routine and what they need to do to keep fit, healthy and happy and the importance of a regular amount of sleep each night. Matt informed our students that the Melbourne Storm's high performance staff briefed them on reducing the amount of screen time before they go to bed. Things like turning the TV off, putting their iPads away and not playing game consoles 30min before they go to bed will help them sleep better.

Some students then got to play in a game of celebrity head but the celebrities name was substituted for a fruit or vegetable.

Seth was challenged to a push contest that he won against Dean. All students received a water bottle, wristband, pen and sticker set.

AFL Football Clinic

On Monday the 2/3/15 grade 5/6 from Mildura Primary School went to the Richmond Football Club clinic across the road from M.P.S. The players that were there were Matt Arnot, Dylan Grimes, Troy Chaplin, Nathan Drummond, Shaun Hampson and three others. Some of the activities we did were Markers up, Handball soccer, Specky Machine, handball after receiving and goal kicking. It was really good fun doing the activities but it was a very hot afternoon. At the end of the activities the Richmond players told us where they grew up and how long they have been playing football for Richmond. They also shared how they got picked for the Richmond Football Club and why they were picked for the Richmond Football Club. They also told us what teams they played for before they started playing at Tigerland. At the end of this we were given posters and the players signed them. It was a great experience and we really enjoyed meeting the players from the Richmond Football Club.
