From the Principal

I hope everyone enjoyed the long weekend and had time to do different things away from school.

Last week I spent time with the students from grade 4, 5 and 6 as they completed the Student Attitude to Schools survey. The information they have provided will help us to get a better understanding of what they think about school and what we need to work on. It was interesting talking with the students and discussing how students behave with each other.

We talked about behaviour that can be an accident and is annoying.

We talked about intentional behaviour that can hurt someone but only happens once is a student being mean.

We talked about intentional behaviour that happens over and over again and doesn't stop even when someone asks for it to stop or if someone is upset as bullying.

But we also talked about being honest when talking about incidents between each other and making sure all information is shared with adults.

Here for Learning @ MPS

86 children received their 100% attendance wristbands at assembly on Monday. Well done!

Hannah Staker was the lucky winner for the draw for the cinema pass. Every week that a child attends 5 days of school, they receive an entry into the draw. There were 978 entries!

Unfortunately, the cold weather has taken a toll on the attendance and there has been a drop to an average of 86% last week. As we settle in- to the winter months, we hope to see this lift back towards our target area of 95%.

Eisteddfod Poetry Choir

On Thursday the 31st of May, 31 students from grades 3 and 4 travelled to Trinity Lutheran College to compete in the poetry section of the annual Mildura Eisteddfod. The children were a little bit nervous but they stood proudly on the stage and conquered their fears and performed two poems "What is red?" and "Sick." The adjudicator's comments included "You filled the room with your beautiful voices" and "You did such an amazing job of beating your nerves and presenting two great pieces." The poetry choir gained second place and received a score of 95 out of 100. Well done! I was very proud of the children's performance and their behavior on the day. Mrs Elizabeth Paletu'a
