OSHC 1300 665 699

From the Principal

Another productive two weeks have passed. We have students working hard with developing their literacy and numeracy skills and exploring new ideas as part of their inquiry learning. It has also been great to see the many happy parents and families coming into the school grounds at the end of the day.

NAPLAN

Last week most grade 3 and 5 students completed the four NAPLAN test covering Reading, Writing, Spelling Conventions and Maths. All students sitting the test tried hard to do their best. Results of the testing will be available by the beginning of next term.

Interschool Sport

5/6 Interschool sport started last week beginning the round against Ranfurly Primary School. Our students represented the school well showing great sportsmanship and effort with mixed results in football, soccer, hockey and netball. This week we will be playing Mildura South Primary School.

GRIP Student Leadership Conference

Next week I will be taking the Grade 6 Student Leadership team to the annual GRIP Student Leadership Conference. Students will be learning about leadership and developing

a leadership action plan to work on back at school.

Eisteddfod

Rehearsals for the Mildura Eisteddfod are well underway. We have entries in the Speech choir and the Singing choir sections. The Grade 3/4 Speech Choir will be performing on Thursday 1st June and the singing choirs will be on Monday 19th June.

Parking around the School

Please be mindful of where and how you are parking around the school at the start and end of the school day. I have had a few reports of people parking inappropriately. I have directed these reports to the council and police to be monitored.

Uniforms

It is getting colder and time to start wearing jumpers to keep warm. We have a school jumper as part of our uniform. If you need to buy another jumper please see Keryn and Amanda at the front office.

David Midgley
Principal

The photo is of Joan Jenkins who is the President of the Red Cliffs/Irymple RSL Women's Auxiliary with four of our 3/4 students who have written letters to currently serving soldiers.

The letters will be put into packs that the Auxiliary are putting together to send to soldiers serving overseas. The packs will include knitted items such as beanies and gloves, toiletry items, Vegemite and other goods from home. And now our letters will be added.

They will be posted off to Afghanistan and other places next week and from all accounts the soldiers are very keen to reply to the letters. So we look forward to receiving their replies.

School Holidays

In 3/4A we love our Maths!

Each day we practice learning our Maths facts in a variety of ways.

Some of the games and activities we enjoy are: Tables Challenges, Step Back, Around the World, Traffic lights and working on our whiteboards.

KINDERGARTEN PAVES THE WAY FOR

Lifelong Learning

Kindergarten and Long Day Care Centres Open Days

In the lead up to Education Week, local Kindergartens and Long Day Care Centres will begin hosting Open Days across our region. Attending an Open Day provides a great opportunity find out more about what they offer and which one best suits your child.
