From the Principal

Welcome back everyone. I hope everyone had an enjoyable Easter break. I want to take this opportunity to welcome Helena Baxter to our staff. She will be taking on the Koorie Community Liaison role and helping with tracking all student absences.

On Monday we will be holding our School ANZAC Day ceremony in front of the cenotaph at 9am. This ceremony will be the first major event that the student leadership team will be leading. All are welcome to come.

Mildura Primary have also be invited to sing at the ANZAC Day ceremony on Wednesday at Henderson Park. Permission notes have been sent home and it is important that these are returned for students to participate. Also students need to be collected at the end of the ceremony and are not to walk home without parent/carer supervision.

Next week we have our Student Learning Conferences on Tuesday. This is a great opportunity to meet with your child's teacher and talk about their learning. Appointment times should be confirmed shortly. Remember there is no school on Tuesday. Students and their parents/carers come to school for their conference and then go home again. Let all work together to make this a great term for student learning.

Reminders

If students are away from school please let the school know why they are away.

Mobile phones should stay at home but if they come to school they need to be handed into the main office. Mobile phones are then to be collected at the end of the day.

School crossings should be used when crossing the roads around the school.

Bus travellers must respect other passengers and the requests of the bus driver. Any misbehaviour will not be tolerated and the bus lines have every right to exclude students from travelling to and from school via the bus.

Here for Learning @ MPS

At Mildura Primary School, we know that when kids are here for learning every day, they make outstanding progress. Our average attendance for 2018 so far is 89%. We are hoping to lift this to at least 95% by the end of term 2. Please support your child to attend school on time every day. If your child is away for any reason, please contact the school to let us know what is happening or let us know how we can help. For extended absences, additional work can be provided to ensure your child does not fall behind.

This term, students who attend every day each week will receive an entry into the draw for a pass to the cinema – drawn at assembly in week 5

Students who have 100% attendance to week 5 each term will receive a wrist band

Kids need to be at school every day to get the most out of their learning.

Please monitor the attend0-meter for progress in this area!

Sport Report

Girls Cricket

Our girls cricket team competed in the Division finals for Hardball cricket.

In our first game we made 79 off the bat. Zoe scored 10 runs while Setarah, Ula, Rezwana and Sarah scored 6 runs each.

Irymple PS scored 49 off the bat. Zoe and Rezwana took a wicket each. After adding bonus runs for wickets taken we finished on a total of 4/91 while Irymple PS were 3/65.

In the second game we played Irymple South PS. They scored 72 off the bat. We scored 70 runs. After adding bonus runs for wickets taken, we were 6/86 and Irymple South ended up 4/96. It was a very close game but 3 run outs cost us a win.

In the last game against Sacred Heart PS we won by 4 runs. SHPS were 4/80. Jazmayne taking 2 wickets and Sarah taking 1.

We made 68 runs with Setarah making 15 runs, Rezwana made 10 runs, Zoe and Ula making 9 runs each and Sahar made 8 runs.

After bonus runs were added we finished on a total of 5/84.

Overall it was a fantastic day. The girls displayed some great cricket all round. We bowled and fielded well but the standout, was our batting. The girls have been fantastic, they have listened and followed coaching instructions and have developed their cricketing skills which has been awesome to see.

Learning Conferences

Tuesday 24th April

We will be holding student learning conferences at Mildura Primary School on Tuesday the 24th of April. Families are invited to meet with their child's classroom teacher to discuss the learning progress of their child. Teachers will talk about; what is being learned in class, how they are going with it and what they need to work on next. This is a great opportunity for parents and students to ask questions of the teacher and to share information regarding their child. This information can be vital for success in learning. It is also a great chance for students to share their learning journey with their families. Further information will be coming home early in term 2.

Education works best when we work together – we invite you to make the most of this opportunity to support your child with their learning.

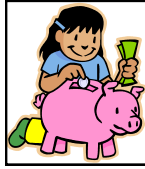

UPDATING STUDENT CONTACT INFORMATION

Sometimes it is important for the school to contact parents or guardians immediately. For this reason it is important that ALL the information in the school records is kept up to date. It is essential that the school have a current emergency telephone number of the parent / guardian as well as one of a close, reliable friend.
