From the Principal

Hello Everyone,

Our new school year is well underway. Classrooms have their routines in place and targeted teaching and learning is happening. As we are settling back into being back at Mildura Primary, there are a few reminders:

Language of Respect

I spoke at assembly on Monday about being respectful when speaking to everyone in our school community. We are currently working not only what to be saying but how to speak in a respectful manner to other students and staff of Mildura Primary.

Uniforms

I would like to congratulate everyone for being in uniform, particularly wearing our school shirt each day. Please check that they are wearing navy blue school shorts. Some students have been coming to school in very short gym or denim shorts. These are not appropriate for the school day. Remember we are on show in and outside of our school and by being in uniform we are showing pride in Mildura Primary School.

Attendance

Please remember to contact the school if your child is going to be away from school for any length of time. Our new phone system allows you to leave a message and this will be passed onto class teachers.

Contact Phone Numbers

We have been trying to make contact with some families over the last few weeks and finding that our records are not up to date. If your mobile number has change please let the school know. We need to make contact with you in cases of emergencies or to up date you on student progress. Thank you for your cooperation

Head lice

We do checks for head lice from time to time but it is the responsibility of families to treat hair. To support the control of head lice please do regular checks at home and treat if needed.

Meet your Teacher Explore the Classrooms

On Monday we are opening up the school so that families can come to school and visit classrooms and meet the child's teachers

When: Monday 25th February

Time: 3pm to 4pm

How: Come to the classrooms with your child or children.

What: Your children will introduce you to their class teacher (if you have not already met) and take you for a tour of the school

Look out for: Invitations and further information specific to each year level.

Attendance Report

It has been a great start to the 2019 school year. Students have shown great enthusiasm to get stuck into their learning and other aspects of school life at Mildura Primary School. It is exciting to note that our current attendance rate across the school is **above 90%**. With your cooperation, we are hoping to get it even higher still!

Please remember that if your child is away from school for any reason, you need to let the school know by calling on 5023 1851 and following the prompts to leave a message. Alternately, you can send a note on the following day to your child's classroom teacher.

Some parents may have received letters for any absences which may not have been explained. If this is the case, please fill these in and return them at your earliest convenience. The message for the children is...

School is better when you are here!

CRICKET

On Tuesday 19th February, Our boys cricket team competed in our district competition. We played and defeated Ranfurly PS in our first game. After 12 overs we had Ranfurly 3/59. After our 12 overs we scored 3/61. In our second game Mildura West PS managed to restrict us for 58 runs while taking 8 wickets. Mildura West managed to make 111 runs while only losing 1 wicket. In our last game we came up against a very strong Mildura South team. After our overs we were 3/20 while they went on to get a total of 2/115. The boys had a great time and were happy to come away with one win for the day.

On Wednesday 20th February, our girls Cricket team competed at the Aero Ovals. We played against Ranfurly PS, Mildura West PS and Mildura South PS. In our first game we scored 34 runs for the loss of 4 wickets. We bowled well and took 6 wickets but Ranfurly girls managed to hit a few fours which took them to a total of 49 runs. In our second game, the girls bowled a lot better taking 8 wickets for 36 runs against Mildura West. We managed to win on the last ball of the game. We lost 9 wickets for 40 runs. Against Mildura South the girls finished with 55 runs while only losing 4 wickets. In another win, we managed to take 6 wickets while the South girls only managed 43 runs. On a count back the girls missed out on finals by 13 runs. The girls bowling improved as the day progressed. They stopped bowling so many wides and no balls, kept the ball on the pitch and fielded well. Awesome effort girls
