From the Principal

The first term for the year is nearly over. I would like to thank all the students for working so hard to settle back into learning routines. I would also like to thank parents and families for coming along to our Harmony evening and attending the goal setting meetings. These are great opportunities to be part of our student's education.

Last Day of School

Tomorrow we will be for electing house captains and running the whole school cross country. It will be an event filled day with many activities leading up to the main running event at 12pm. All are welcome to come along and cheer the students as they run around our school cross country course.

The school Easter raffle will be drawn at the conclusion of the cross country at around 12.45.

We will also hold a special assembly at 2pm in the gym to acknowledge students who have attended school everyday this term, present the new house captains with their badges and hold a special performance. All welcome. **School will finish at 2.30pm**

Calling all 6 and 7 year olds!

Do you know how to cook chocolate spiders or make frog puppets? Can you build monsters and spaceships from scrap items? Have you ever grown a plant or hiked in the bush? These are all things you can learn when you are a Joey Scout!

When you join Joeys you'll be part of a Mob. You'll play games, read stories, sing songs and do craft activities. You'll find out about nature and learn about native birds and animals. You might fly a kite, go bushwalking, go sailing, go camping or visit a fire station.

The Joey Scout motto is HOP - Help Other People! You'll learn to jump in and HOP, and to share with your friends. You'll also learn heaps of useful stuff, like what to do in an emergency.

When you join in different activities and learn new things, you and your friends in the Mob can earn special badges to sew on to your Joey Scout shirts.

2nd Mildura Joeys meet in our hall every Tuesday night from 5.15pm to 6.15pm and your first few visits are free! Come and try it - you'll love it!

throughout term 1.

Students in Grade six designed and
painted a canvas to represent their
interests.

Welcome to our blog!

Posted on January 27, 2016

In 2016 students in grade 5 and 6 will be using their blog as a reflective tool and as a diary to keep a record of achievement and of interesting material. Blogs allow creative responses from students and they connect learners to contexts beyond the classroom. To keep up with what is happening in grade 5 & 6 watch this space!
