From the Principal

End of Term 2

It is almost the end of Term 2 and we can look back at one of the most extraordinary periods of schooling in recent times. While Mildura remains insulated from the impact of coronavirus, it still looms as a threat to our communities health.

Going into Term 3, we will be maintaining many of the measures that have been put in place to keep our school site safe. We will keep our parent community informed if there are significant changes during the holiday break.

Next term we will welcome back the principal David Midgley, who will be returning after a well-earned break.

Reports will go home at the end of this week and we are planning to hold student-learning conferences early in Term 3 to have conversations about student learning.

I would like to thank all families for their support and cooperation this term as we have negotiated these changes. Please all stay safe and healthy over the break and we look forward to seeing everyone back next term.

Ben Nicholson
Acting Principal

Have you ever wondered why schools are so strict on attendance? It isn't to make their data look better or being strict for the sake of being strict, it is due to schools being so focused on giving your children the best possible education. Here are the stats and I must say it surprised me as well.

So if your kids are sick, keep them home. But if they just don't want to go, send them to school!

1 or 2 days a week doesn't seem like much but...

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years of school
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

How about 10 minutes late a day? Surely that won't affect my child?

He/she is only missing just...	That equals...	Which is...	And over 13 years of schooling that's...
10 mins per day	50 mins per week	Nearly 1 ½ weeks per year	Nearly ½ year
20 mins per day	1 hr. 40 mins per week	Over 2 ½ weeks per year	Nearly 1 year
30 mins per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

UPDATING STUDENT CONTACT INFORMATION

Sometimes it is important for the school to contact parents or guardians immediately. For this reason it is important that ALL the information in the school records is kept up to date. It is essential that the school have a current emergency telephone number of the parent / guardian as well as one of a close, reliable friend.

Week 10 was our school's Fun Run, and what an event it was. So many students came dressed up ready to run. Everyone tried their hardest and it was so good to see everyone running or walking around the oval. A big congratulations to all the award winners.

Everyone should be very proud.
