Thank you everyone for continuing to be socially distant and adhering to the QR codes on entry into our school. It is all about doing our bit to keep ourselves safe and healthy.

Student Leadership

Our grade 5 students are working on their leadership skills and considering their strengths for being a school leader. Students wishing to be school captains for 2022 will be making their speeches on Friday to students in grade 3 to 6 who will then be voting for who they feel will be a suitable captain for Mildura Primary School. The student leadership team will be announced at our whole school strengths picnic on Wednesday 8th December and posted in our next newsletter

Swimming Program

Our school swimming program began again last week for the grade 3 and 4 students and Prep students this week and then 5/6 students next week. The week long program aims to build student water safety in and around the water. Due to being an important program we make sure that all students are able to participate by covering the cost of pool entry and lessons. Lessons are provided by the staff at Mildura Waves.

2022 Enrolments

We are currently setting up class lists for next year and would like

to know enrolments for next year. If you know of anyone wanting to come to our school next year ask them if they have let us know. The other is, if you are intending on moving away from our school can you please let us know so we can pass on any information that will help with a smooth transition.

Grade 6 to Year 7 Transition

On Tuesday 7th December all grade 6 students will be going to their secondary school for an orientation day. Students are expected to be dropped off and picked up by their parents or carer, at their Secondary College.

Reports

Our end of year written reports will be aiming to be sent home with students on Monday 13th December. If you wish to make a time to discuss the reports further please make a time to meet with your child's classroom teacher.

Last day of term

The last day of term for this year is Friday 17th December. We will be finishing at 1.30pm. Any bus travellers will be supervised until 2.15pm when they will be able to catch the bus home.

Parent Payment Arrangements for 2022

Each year the Victorian Government provides funding for your child's education - this covers buildings, furniture, equipment, teaching and support staff, instruction and subsidised programs.

To supplement our programs, we also ask parents to consider making a financial contribution towards purchasing additional equipment and resources so that we can enrich your child's learning experience. Any 2022 payment towards Curriculum Consumables is considered voluntary, but please be reassured that our school appreciates any contribution.

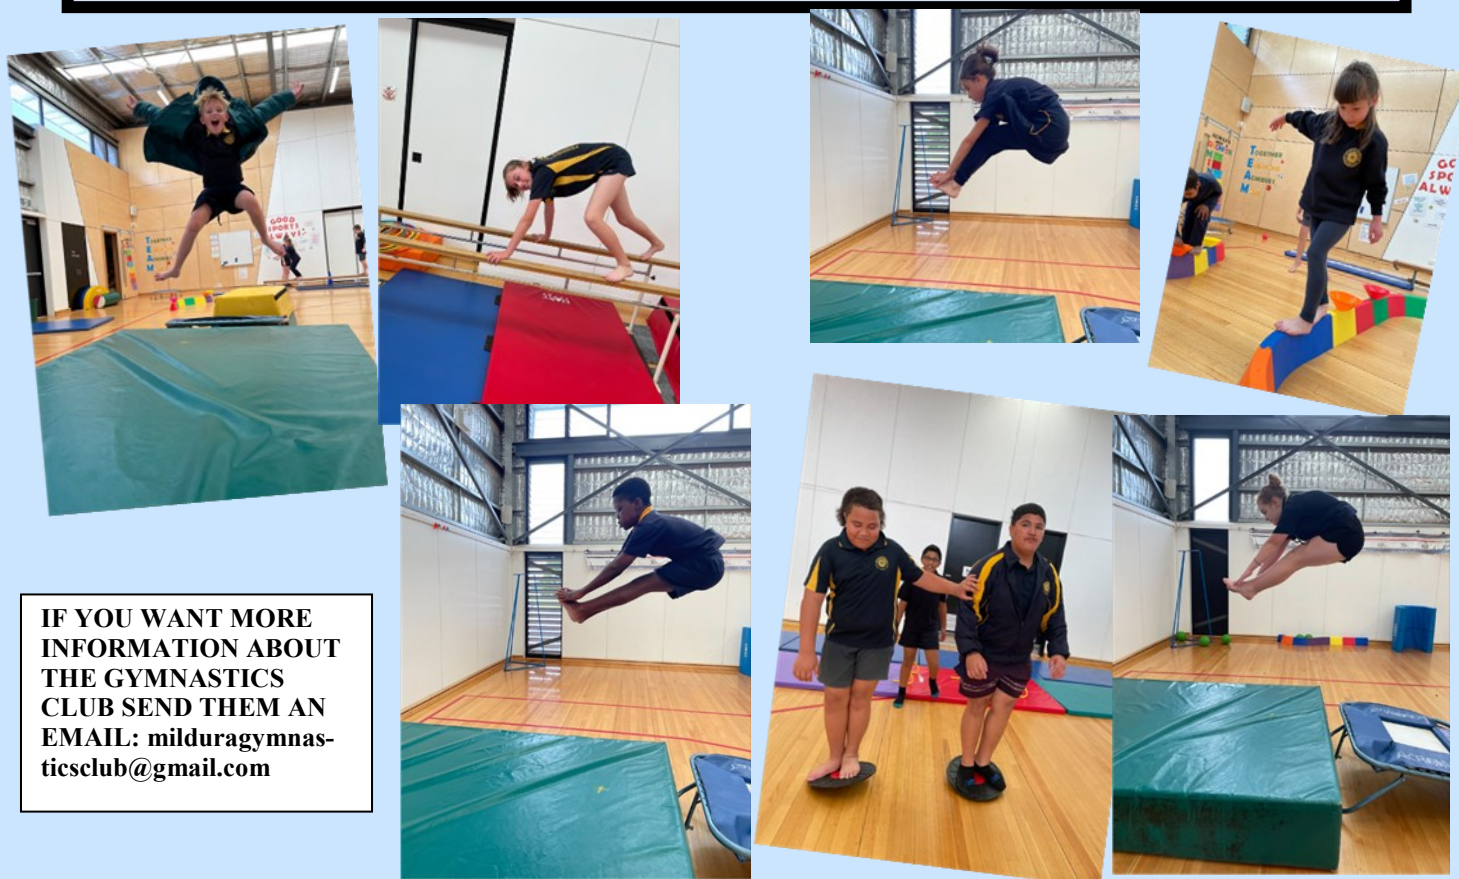

A letter detailing 2022 Parent Payment Arrangements will be sent home to all families. Please read this carefully and contact the Business Manager, Sarah Edlington, if you have any questions.
