**Tuesday, 2nd November is Melbourne Cup Day.
As this is a public holiday, there is no school on Tuesday**

Hello Everyone,

It has again been great to see students back at school getting back in routines and catching up with friends.

As a reminder, we are keeping our morning drop off and afternoon pick up routines in place. Please drop off and pick up your children from the basketball court each day. Alternatively they can walk in on their own via the 12th Street gate.

QR Code

Any person that enters any school building will need to scan the QR code found on all entrances. This is our way of tracking who has been on site.

COVID testing and Symptoms

Please keep doing a marvellous job of monitoring for runny noses, sore throats, temperatures and headaches and keeping children at home. Please get tested and keep away until receiving a negative result.

Meeting with Teachers

If you wish to be speaking with class teachers please make a time to meet. It is difficult to chat in the mornings due to getting ready for the day.

Melbourne Cup Day

Next Tuesday 2nd November is Melbourne Cup day. It is a public holiday and the school will be closed. Regular classes are running on Monday 1st of November.

Do you have a prep child starting school in 2022?
Are you leaving Mildura / moving to another area
in 2022?

Please let us know.

This is the time of year that classes are being planned for 2022. To decide how many classes we will need, it is important to know how many students we will have.

If you have a child ready to start Prep please collect enrolment papers from the office and return as soon as possible.

If your child will be leaving Mildura Primary School at the end of 2021 for any reason, please contact the school as soon as possible to let us know.

6L back at school!

After a period of remote learning, our class is happy to be back at school. We have enjoyed interacting with each other, and doing fun and practical learning activities.

Interestingly, some students have also missed remote learning, with some students appreciating the opportunity to be able to complete learning tasks in their own time.

Here's how some of us feel about being back at school:

"I feel happy coming back to school."

-Beni

"It is good to get back to face to face learning."

-Paige

"I feel happy to be back at school because I can learn and improve and get ready for high school."

-Tenzin

"I feel grateful to come back to school to see my friends. I really enjoy school."

-Hayley
