### From the Principal

The term is quickly coming to an end and I would like to commend all the learning our students have been doing over the last 11 weeks. I hope you were able to come along and experience the Prep Market or come into classrooms to see the presentations and work on display over the last couple of weeks.

Last week all of our staff attended a very informative day at Mungo National Park. The day was filled with experiencing and learning about Koorie history and culture. Mungo National Park is a very special place and we all should find some time to go and have a look at this place and its relevance to world history.

The Prep Market was a hive of activity again this year. The Prep team had put in a lot of learning and preparation for the day. It was a huge success raising over \$1400. This will go towards more equipment and special experiences for the prep students.

Our One and Two teams took everyone on a trip around the world last week. Each classroom was transformed into a different country and students were happy to share their learning with each of their visitors. Well done!

Yesterday the long awaited opening of the three four playground happened. The students worked together to set expectations of how to use the equipment and to make sure everyone is safe. There were many happy faces during playtimes yesterday.

Today is a busy day of sharing for the threes and fours who are also planning to share their learning. I am sure it will be a big success.

Also today is our NAIDOC cook up and buddy activities. I am looking forward to seeing the dancing and interactions amongst our school community.

Next term will see some changes to classroom teachers for Prep T and 5/6C. Mrs Turk will be on leave for about 7 weeks and Miss Wright will be teaching the grade. Miss Clarke has accepted a teaching position at Irymple Secondary College to start next term. A replacement is currently being organised for 5/6C and will be announced by the end of term. I wish Miss Clarke all the best for the future.

Next term we will be celebrating all student learning through our Student Led Conferences on Tuesday 25<sup>th</sup> July. There will be no regular classes on this day but all student will be coming to school for 15 minutes with their parents to share the work they have been doing for the last 6 months and to discuss goals for their learning.

I hope all students have a safe holiday and come back refreshed on Monday 17<sup>th</sup> July.

David Midgley  
Principal

Fotina Kafkoudas-Bennett attended the morning tea. Proud mum, Alcadia said she "loved the support shown by the MADEC Community, her class and fellow student Roxanne who originally came up with the idea. My daughter was born with a heart condition and at the age of 6 has already undergone 4 operations. She does get tired easily but still goes to school every day and enjoys life and playing with friends just like all kids her age" A total of \$403 was raised for HeartKids. ## Girls AFL Finals

On Tuesday 20<sup>th</sup> June, our girls AFL team competed in the School Sport Division finals held at the Aero Ovals. Our First game was against Sacred Heart. The final scores were 30 points to 1 point. Although the girls lost, they improved during the match and had a lot of possession, especially in our forward 50, however couldn't quite convert. The girls won their second match against Mildura South PS. Scores were 17 points to 8. The girls dominated with 7 scoring shots to 3. In our last game against Nichols Point, the girls lost scoring 10 points, while NPPS scored 20 points. Both teams had the same amount of scoring shots, however NPPS kicked a little more accurately than us. This game was very physical with great tackling, hitting targets and marking. Our final placing for the day was 3<sup>rd</sup>. Well Done Girls!!
