From the Principal

This week students have had a change in their routines due to planning week. Teams of teachers are having time to look at where students are at with their learning and planning the learning for the next ten weeks. This has meant that students have had a day of rotations that have included performing arts, art, Phys Ed, science, literacy and numeracy. A busy but fun week for all.

I extended my best wishes to Mrs Paletu'a and the 3/4 Choir, who are competing in the Mildura Eisteddfod this week. They have been practicing well and will represent our school well.

School Uniforms

Winter weather has arrived and so has the need for wearing extra layers to keep warm. This is a reminder that we do have school jumpers as part of our uniform and encourage students to be wearing the school jumpers. Please make sure student names are on jumpers so they can be returned if they are misplaced.

Contact Details

Please make sure that your contact details are up to date at the office. We need current phone numbers and addresses in case of emergencies and to make contact when necessary.

David Midgley
Principal

School Holiday ACTIVITIES

FOR YOUNG PEOPLE
AGED 12 - 16 YEARS

SCHOOL HOLIDAY PROGRAM

Drop off and pick up venue:
Mildura Scout Hall
39 Twelfth Street, Mildura

Registration forms are available by contacting
youthservices@mildura.vic.gov.au or

Donations needed!

The Grade 5/6 Sewing Unit would deeply appreciate donations of materials that would be suited for quilting [cotton] and any donations of felt. Our Sewing Unit is making stuffed toys for our market days and we are in need of fabric to make these stuffed animals. Any donations can be left at the office.

Sincerely,
Tyesha and Janay
On behalf of the Sewing Unit.

Here for Learning @ MPS

86 children received their 100% attendance wristbands at assembly on Monday. Well done!

Hannah Staker was the lucky winner for the draw for the cinema pass. Every week that a child attends 5 days of school, they receive an entry into the draw. There were 978 entries!

Unfortunately, the cold weather has taken a toll on the attendance and there has been a drop to an average of 86% last week. As we settle into the winter months, we hope to see this lift back towards our target area of 95%.

Mildura Enterprise Programme

An engaging learning experience for 5/6 students at Mildura Primary School. Real life learning in literacy and numeracy; technology and design and economics and business.

The students have been learning a wide range of new skills and are keen to present their products to you at the MEP Market on Thursday June 28. The students are very excited about this opportunity and hope that you will be able to support their learning by attending the MEP market and purchase their products. Please look through the photos and articles about each group. We think you will be very surprised with the quality of the children's work. It is AWESOME! We look forward to seeing you then.

WOODWORK

The woodwork group have been developing their skills by cutting and sanding wood. They have designed wooden items that will be available at the market.

GARDENING

The Gardening group have been working hard on organising seedlings for the market. They also hope to have some fresh vegetables and herbs to sell.

COOKING

Students in the cooking group have been busy baking and creating a variety of dishes. So far this term they have created pumpkin soup- made from the school grown pumpkins- home made bread and fruit salad. We are all looking forward to seeing what goodies they will create for the Market Day.

SPORT

Students have been busy creating games and activities for their sporting activities for the market. They have been testing school sport equipment and making refinements to their ideas. They have created information posters that include the price to play the game, equipment that is needed and the rules for the activity.

TOYS

The toys group have been experimenting with different types of power to move toys. They have tried rubber band power to solar powered kits that allow them to make cars and boats. The group have also created small stress balls. All these items will be available for sale at the market.

SEWING

Students are continuing to create soft toy animals by hand stitching with felt. They are required to use a template for their designs along with thread, needles and glue. The felt animals will be available to buy at the MEP Market Day.

Market Day

June 28

Sport Reports

Hockey

On Friday 18th May Mildura Primary played Mildura South at Sarah Oval.

Again our teams were short and we appreciated the 4 Mildura South students who joined us.

Going into the game we had a late change, Andre hurt his ankle at lunchtime and he was benched.

Mildura South jumped us at the start and we were 2 goals down very quickly, but we settled and were able to sink a goal before half time.

After watching the half and getting itchy feet, Andre joined us for the second half.

The second half began and M.P.S. were switched on. We, as a team, made leads and passed to the stick. We sank 4 more goals to South's 1.

We won 5-3.

We need to work on playing wider and using our wings, staying away from the centre corridor.

The hockey team would like to thank Mr McDermott and Brad for having the field marked and goals set up for our games.

Soccer

On the 18th of May, Mildura Primary School travelled to Mildura South to play boys soccer. The scores were 16 - 1 Mildura Souths way. While the game was very one sided the whole team played very hard and always attacked the ball. The best players on the team were Hamid, Subhan, Murtaza and Tennessee who scored our only goal. We would like to thank Mr Tonkin, Mrs Lawrence, Mr Davidson and Ms Carpenter for coaching us and keeping score. Next week we play Mildura West.

The girls soccer team visited Mildura South Primary school on Friday the 18th of May. We left at 1pm on the bus. The girls played extremely well both halves. The end scores being Mildura Primary School 6 goals to Mildura South 3 goals. All girls played well although Setarah, Rezwana, Sahar and Roghayeh displayed exceptional skills at various times throughout the match. We would like to that Mr Massey and Mrs Lawrence for coaching us.

Hockey

On Friday the 18th of May, we went over to Sarah oval to play hockey against Mildura South Primary School. The score was 2 – nil their way. Chloe from Mildura South was kind enough to play for us as we were 1 player short. We need to work on getting in front of the ball. We all played a good game with Leslie stopping 5 goals as the goalie and Sarah was excellent at dribbling the ball up the field.

AFL

On Friday 18th the boys travelled to Mildura South PS to play inter-school sport.

The boys had a nervous energy about them due to the opponents we were about to play. Mildura South have always had very strong football team with nearly all of their team playing on Saturday mornings. Steven was Captain and elected to kick with the wind. We won the tap, however it was taken by Mildura South and they quickly kicked a goal. This was the way the majority of the game went. Yuthi was doing a great job down back marking repeated entries by South. Mitch was dominant in the ruck and Bailey was working hard in the middle. In the third quarter we managed a couple of forward entries and scored a behind. In the last quarter we got the ball forward on numerous occasions however only managed to score another behind and finally we were rewarded with a goal.

The team tried their best and when we went forward we looked great. The team are looking for a win against Mildura West.

Scores: Mildura South 147 def Mildura 9

Goals: Bailey

Best Players: Mitch, Yuthi, Bailey, Jarrah and Kai

Soccer

On Friday May 25 we all got on the bus and went to play soccer at Mildura West.

We played really well, ran with each other, passed the ball to each other and called out names as we were passing.

The final scores were 4 to 0 our way.

Best players of the day were Setarah, Rezwana, Melanie and Tennessee.

This was the last game in this rotation of Winter Sport but because we have won every game, we have qualified for the finals. So we will practise even harder and get even fitter.

On Friday May 25, we went to play soccer at Mildura West. As we only had 6 players in our team, two of our girls and a couple of the West boys played on our team. They were all very tall and fast, but we did our best and played well.

The final scores were 8-4 their way. Even though we were beaten we never gave up and kept running the whole game. We supported each other and really cheered when Subhan saved goals.

We would like to say a big thank you to Sahar, Natasha, Roghayeh and Rezwana who came over from the girls' team to play with us.

Best players of the day were Hamid, Subhan, Murtaza and Roghayeh.

Thanks to Mr. Tonkin for coaching us.
