SCHOOL FEES

Our school relies on parent contributions in the form of Parent Levies as outlined in our parent payment policy (available on our website). Our aim is to have all of our school fees paid for and we ask for your commitment in doing so. You are welcome to pay off your fees throughout the year in a regular weekly/monthly/fortnightly payment. At present, we have only received a third of our expected levies for 2020.

Payment is accepted via BPAY, or credit card over the phone. Please contact the office if you require a current family statement via email at nichols.point.ps@edumail.vic.gov.au or phone 5023 1633.

ATTENDANCE

Each morning at approximately 9.35am, homegroup teachers will be marking the roll live on Teams. Students can log on and see their homegroup teacher and confirm they are present. If for any reason your child is absent, you are able to notify their teacher via chat on Teams at any time, the homegroup teacher will then mark students accordingly. If you are aware of a future absence for your child, please feel free to notify teachers in advance. Thank you for your assistance.

CHROMEBOOKS FOR PURCHASE

We have received a new shipment of chromebooks and have some readily available for purchase. Chromebooks are \$400, payment of \$400 can be made upfront or paid off in \$100 termly instalments. Chromebooks are used by students from Prep right through to Grade 6 and come set up and ready to use. If you would like to order a chromebook for your child, please call on 50 231 633 or email nicholspointps@edumail.vic.gov.au.
