COMPASS and Communication to Families

COMPASS will be a place for messages, student learning, reporting and COVID updates. Please access on a regular basis to see information relevant to your child and Mildura Primary School. Family logins and passwords will be sent out soon. Please put in a safe place.

Other sources of information will be via Facebook, fortnightly newsletters and notes sent home each week.

Attendance

We expect everyone to be at school every day to be part of the learning BUT if your child is unwell, please stay at home. Call the school to let us know of the absence.

Before School Supervision

Our school supervision begins at 8.30am each morning. Students should not be in the school grounds before this time.

Start of the school day

Each morning the classrooms open at 8.45am so that students can go into class and get ready to start the day. This is an important transition time for all.

Arriving after 9am

All students coming to school after 9am are asked to sign in at the front office. This means the attendance roll can accurately reflect who is here each day. Text messages will be sent out at 10am to families who are away on the day and have not contacted the school about the absence.

After School Supervision

From 3.15pm, once students are dismissed from their end of day classes, we expect all student to be picked up and head home as soon as possible. Please make suitable arrangements if this is not possible.

School Council Meeting

Our next school council meeting will be on Tuesday 14th February at 6pm. If you are interested in being part of School Council please let the school know for further information.

Looking forward to a great year.
